

SWANSEA EMPLOYABILITY ACADEMY - LINKING STUDENTS, GRADUATES AND EMPLOYERS

The Swansea Employability Academy (SEA) provides networks for linking students with employers, ranging from employers' talks and workshops through to student-led networking events. SEA supports Swansea University students at each stage of their career journey - coordinating professional careers advice, guidance and information services, events, work experience programmes and jobs in order to support successful transitions into employment and/or further study.

CAREERS ADVICE AND GUIDANCE

- Advice and guidance from our professionally qualified Careers Advisers through group and one-to-one sessions
- Interactive online career planning resources and information - take advantage of all the research we've done!
- Discuss all options in an impartial confidential environment: postgrad study, grad schemes, time abroad and more...
